

2 STATION LUXURY RESTROOM TRAILER

Our luxurious 2 Station Portable Restroom Trailer is designed to provide a private, comfortable and clean experience. The trailers give you the opportunity to provide a luxury option to your guests with style not found in most portable restrooms. These portable restroom units are perfect for weddings, fundraisers, upscale parties, retail remodels and corporate events where durability counts and style is a must. Hardwood floors, air conditioning unit, stereo system, framed mirrors, Corian countertops and stainless steel sinks are just a few of the high-end finishes that provide unmatched quality and home like design.
